

Canterberry Acres

Presents:

Back to Basics

Canterberry Acres is now offering 2 new programs. These programs are open to children and adults of all ages and abilities, including emotional and physical disabilities.

Basic Farming Skills

Participants will learn about the ways of the farm and what it takes from start to finish to grow fresh produce. We have a wide variety of vegetables and berries. This will include soil preparation, planting, growing, harvesting and everything in between.

Basic to Advanced Animal Care and Horsemanship lessons

Participants will be able to learn the importance and responsibility of taking care some of the farms animals. This can include simply filling a water bucket, brushing a pony, collecting eggs from the chicken coop or just sitting to pat a barn cat. This program can go as far as the participant would like. Horseback riding and instruction is also an option.
