

Natural Horsemanship Clinic with Chris Wzorek

Building Confidence through Partnership

Sunday, October 14th, 2018

Starting at 9:00 AM

Canterberry Acres
76 East Charlton Road, Spencer, MA

◆ Youth Horsemanship Sessions ◆

Open to ages 6+, Limit 4 participants per session. 30 min. duration. The fee will be \$40.

Are you looking for your child to be safer around horses, while at the same time still learning to have fun with them in an educational environment?

This clinic will not only teach different safety techniques to use while on the ground with the horse, but also how to start having fun with their horse while unmounted! This will be a hands-on clinic where each participant will use their own horse. They will learn different ways of safely handling their horses while on the ground, as well as how to get their horse to start interacting with them in a more positive manner, through gaining their trust and respect.

◆ Adult Natural Horsemanship Sessions ◆

This will be an unmounted clinic. Limit 4 participants per session. 40 min. duration. The fee will be \$45 per session OR \$80 for both Fundamentals and Desensitizing, save \$10!

Are you looking for your horse to be a willing, respectful, and confident partner? Are you looking to gain confidence in your skills handling a difficult horse in hand?

In this clinic we cover the fundamentals of building a partnership with your horse that will turn them from spooky and unwilling, to confident and attentive! You will learn different ways of safely handling your horse on the ground, while at the same time teaching you how to get your horse to start interacting with you in a more positive manner, through gaining their trust and respect. You will also learn the proper tools to handle situations that occur when your horse loses focus or behaves disrespectfully.

Face that fear! Desensitizing (bombproofing) session

No horse is truly bomb proof. But what they are, is prepared. They are trained how to handle themselves when they feel fearful. In this session we will cover steps to helping you teach your horses how to handle themselves when their fight or flight response is triggered.

Don't have your own horse? No problem, contact Chris to find out about renting a horse for the clinic!

◆ Demo ◆

There will be a brief demo to kick off the clinic at 9:30 AM with Chris's own personal horses to show the participants just what really is possible when trust and respect are used to build a relationship.

Youth		Adult	
9:50 - 10:10 AM	10:50 - 11:20 AM	Fundamentals > 12:10 - 12:50 PM	Desensitizing > 1:40 - 2:20 PM
10:15 - 10:45 AM	11:25 - 11:55 AM	> 12:55 - 1:35 PM	Extra > 2:25 - 3:05 PM

There will be registration for the clinic from 9:00-9:30 AM. Please sign in and fill out release waivers during this time before the clinic starts at 9:30AM. (session times are subject to change)

Deadline to sign up is Monday, October 8th.

Feel free to check out Chris's website and email or call her with any questions.
